## Gene drive video to share on Social Media

These are just indicative examples which provide you a wide variety of options you can choose from (you don't need to use all of them) and therefore up for revision and/or translation and adaptation to more tailor-made messages upon your choice. However, please always include the mention @EFSA\_EU.

## **Twitter**

EFSA launched a public consultation to collect comments on our draft opinion on #GeneDrive. #HaveYourSay by 17 April 2020! <a href="https://bit.ly/39wmX66">https://bit.ly/39wmX66</a> [incl. native video Gene Drive\_Native Video 4]

EFSA`s expert, prof. Les Firbank (@LFirbank), specialised in sustainable #agriculture, talks about #GeneDrives: what are they? How do they work? <a href="https://bit.ly/2UUUxyz">https://bit.ly/2UUUxyz</a> [incl. native video Gene Drive\_Native Video 1]

Recent developments in #MolecularBiology are allowing scientists to engineer #GeneDrives and use them to push #genes of interest into target populations. Find out about their potential uses in our new video. <a href="https://bit.ly/38uGuDR">https://bit.ly/38uGuDR</a>
