The Summer School is addressed to Ph.D and advanced Master students in Economics and Finance.

There are no admission fees. Admissions will be based on applicants' qualifications and research interests.

Participants will have to cover their travel and accommodation expenses. Attendance is required for the entire duration of the Summer School.

Applicants must submit their application at the following link no later than April 30, 2024 <https://goo.gl/forms/swHSxa8ZpDu358Y73>

**Participants are strongly encouraged to present their own research in dedicated poster sessions.**

#### LEARNING OUTCOMES

Participants will gain insights into cutting-edge research in economics and finance through lectures by outstanding faculty.

Students will learn how to conduct theoretical and empirical research in Political Economics, Environmental Economics, Development Economics, Finance and Labor.

After lectures, the faculty will be available to discuss research ideas and projects with participants.

The Summer School will take place at Monte Sant'Angelo Campus in the University of Naples Federico II. Logistic information will be provided to admitted students.
